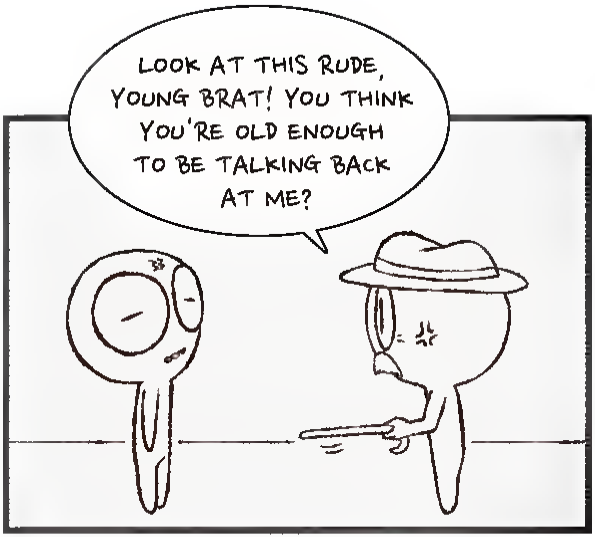
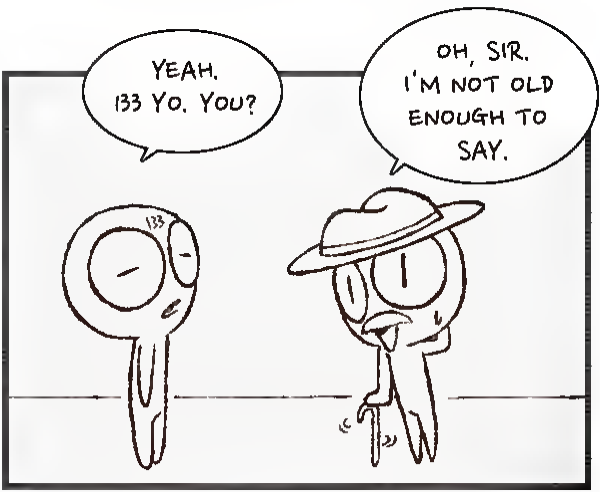
# YOU'RE OLDER THAN YOU LOOK

RECENTLY, IT HAS BEEN SAID THAT
U.S. RESEARCHERS HAVE SUCCESSFULLY
DEVELOPED A MEDICINE TO PROLONG LIFE
BY REMOVING AGING CELLS FROM MICE.
POWER
RECOVERY

IT IS LIKELY THAT INSTEAD OF ONLY
SLOWING DOWN THE AGING PROCESS,
THERE MAY BE MEDICINE TO ACTUALLY REGAIN
ONE'S YOUTH WITH THE DEVELOPMENT OF SCIENCE.



IF THAT TIME COMES, MANKIND WILL FINALLY...



STOP BEING JUDGEMENTAL
AND BOSSY.
